Arrival/ departure:

it is possible to arrive on 30.9. and depart on 6.10., but of course
1.-5.10. is also good!

Montecastelli is difficult to reach by bus (quite unreliable connections..), if you have the chance to come by car, that would be perfect. But of course we will help all the others:
nearest airports are Pisa and Firenze, also Bologna is well connected.
From there trains /busses run to Colle di Val d'Elsa/ Poggioibonsi or from Pisa to Volterra or Pomarance. Then pick ups will be organized by us.

We eat, sleep, practice and have lessons in the wonderful castello of Science & Music, Il Poggio di Montecastelli of Philipp Bonhoeffer, who builds there in his workshop string instruments and has been a famous doctor.

Swimming pool and billiard table are on the premises.
